THIRD ANNUAL
CORRELATED CLINICAL SCIENCE COURSE
TUESDAY EVENINGS 8-10 P.M.

September 11, 1962 through April 30, 1963

This 31-session course will be patterned on the previous Correlated Clinical Science Courses arranged by the Academy's Committee on Medical Education. Although there will be a variation in content, the objectives remain the same; namely, to provide a basic review of the several human organ systems with particular emphasis on their physiology, pharmacology and biochemistry as related to clinical disease.

The 1962-63 Course is being supported by a grant from the Josiah Macy, Jr. Foundation. Therefore no fee will be charged but advance registration is required.

The Course is open to all interested physicians and information regarding registration and curriculum details may be obtained by addressing:

AIMS C. MCGUINNESS, M.D.
Executive Secretary
Committee on Medical Education
THE NEW YORK ACADEMY OF MEDICINE
2 East 103 Street, New York 29, N. Y.

THE FOURTH ANNUAL COURSE ON
EMOTIONAL AND PSYCHIATRIC PROBLEMS
IN MEDICAL PRACTICE

Monday, October 22, 1962 through February 8, 1963

Fourteen weekly one and one-half hour seminars, consisting of basic and advanced sections, open to all physicians. **Registration Fee \$20.**

The *basic section* will combine didactic and group discussion methods of instruction, oriented around a syllabus. Clinical cases will be utilized to illustrate and elaborate the course material.

The *advanced section* will consist largely of discussions, guided by the instructor, to illustrate basic psychiatric principles operating in the clinical material presented, with emphasis on problems of management.

This course, supported by a Grant from the United States Public Health Service, is co-sponsored by the New York County Chapter of the American Academy of General Practice and, if completed, is acceptable for 21 hours of Category I Credit.

Early application is advised, since enrollment in each group will be limited. Deadline for Registration: Monday, October 1, 1962.

For information and application forms address:

The Executive Secretary for Medical Education
THE NEW YORK ACADEMY OF MEDICINE
2 East 103 Street, New York 29, N. Y.
